

A quiet and flexible carpet cleaner

Designed as a user-friendly and economic cleaning solution

Puzzi 30/4

More flexibility for cleaning medium areas.

This mobile and very quiet machine is specifically designed for medium sized carpeted areas and represents a user-friendly and economic cleaning solution. It's new upright design offers comfortable ergonomic operation and improved productivity. The Puzzi 30/4 also has an integrated HEPA-level filter for optimal health protection. Accessories can be stored directly on the machine.

1 Extremely quiet

- Daytime cleaning and operation in noise-sensitive areas possible with the low noise level of 66 dBA.

2 Easy transport

- Big wheels enable simple and comfortable transport over thresholds and up and down stairs.
- Ergonomic operation and comfortable handling due to upright-concept.
- Easy transport – the machine can be moved lying on its back and with a full solution tank.

3 Easy use

- Easy removal of the fresh water filter.
- Solution level indicator.
- On-board storage for accessories.

4 Removable container

- Comfortable filling of solution tank.
- The container can be removed for emptying.

5 Flexible floor nozzle

- Superior extraction at every angle due to the flexible floor nozzle.

6 HEPA-level filtration

- Integrated HEPA-level filter for better user protection against airborne particulates.
