

BDP 50/2000 W

More shine for your money.

We didn't gloss over the details with our BDP 50/2000 W. This battery burnisher features everything you want including an on-board charger, variable speed control, dust control filter and automatic pad control adjustment. All of these great features come in a robust package with a focused lower total cost of ownership. Our pad control technology automatically adjusts the burnishing head to changing floor conditions, dramatically improving performance and life span of burnishing pads while producing consistent single-pass results. At only 67 dBA this quiet machine is well suited for daytime use. Shine your floors with the BDP 50/2000 W and get more value for your money.

Easy to use

- Simple user interface makes training quick and painless.

Excellent performance

- Breathe easier with the dust control filter system.
