# HANDY & COMPACT

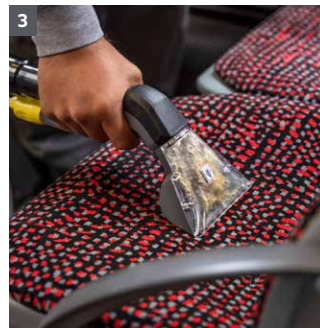

A powerful, versatile  
spotter/extractor.

PROFESSIONAL | PUZZI™ 8/1 C CARPET EXTRACTOR

# HANDY AND COMPACT

Durable, compact, efficient: The Puzzi 8/1 carpet extractor from Kärcher impressively cleans upholstery and removes stains from fabric surfaces with outstanding and hygienic cleaning results and high efficiency. The compact machine sprays the cleaning solution deep into the fabric fibers, dislodging dirt and then extracting it along with the solution. This efficient suction process also ensures fast drying, allowing the cleaned fabric surfaces to be used again quickly. This feature is especially beneficial for demanding cleaning tasks in places like hotels, hospitality businesses, or vehicle interiors. The standard, extra-short upholstery nozzle for convenient, ergonomic cleaning of narrow spaces can also be used.

## 1 Easy to use

- Transparent dome lid for easy-to-verify operation.
- Foot switch makes it easy to turn on and off – no bending required.
- Quick connect devices for soap and accessories are easy to use and ensure a fixed connection.

## 2 Easy to transport

- Lightweight – at less than 19 lbs., it can be carried up and down stairs without strain.
- Swivel casters for easy maneuvering.

## 3 Smart features

- 8' high-pressure solution and vacuum hose
- Crush-resistant suction hose with ultrasonically welded detergent tube for optimum suction.
- Removable dirty water tank.

# Technical data and equipment.
